

News report: **Spring Inter School Competition**

Date: Sunday 22nd April 2018

2pm – 4:30pm

Location: Wood Green Taekwon-Do School, London N22 8HE

Five Pillars Taekwon-Do students from all registered schools took part in the exciting "**Spring Inter School Competition**" with spectators and competitors totalling just over **100** students, assistants, leadership team and spectators (friends and family, Eventbrite).

Truly was a spectacular day and in direct alignment with our **Five Pillars Taekwon-Do** powerful **4E system** © **Education – Energetic – Exciting – Empowering**. Students entered from **White Belts** all through to and inclusive of **Black Belts** too, clearly demonstrating that key to improvement which is **experience, and experience and more experience** results in confidence and good development.

The competition started with representatives of the **3, Five Pillars Taekwon-do schools**, their respective **highest ranking from each schools** Mr Ben Musker, Ms Rebecca Van Doimen and Mr Bradyn Man (all 1st degree black belts), competing for overall black belt patterns resulting in a strong competition between all. In addition immediately after the black belts had completed **Mr Bradyn Man** was presented with his **Black Belt Certificate** , having passed with an **Advance Pass** in October 2017.
